| **1. Acceptance of Terms** | By accessing and using EarthWise, users agree to follow these Terms & Conditions, where legally applicable. Users who do not agree with these terms should discontinue using the website. |
| **2. Purpose of the Website** | EarthWise is an educational platform designed to promote earthquake awareness, disaster risk reduction, and emergency preparedness. The website provides safety information, interactive quizzes, preparedness checklists, and community activities to encourage responsible disaster preparedness. |
| **3. User Accounts** | Users are responsible for providing accurate account information and protecting their login details. They should avoid sharing passwords and ensure that their account information is used appropriately. EarthWise may provide features for updating personal profiles and tracking individual progress. |
| **4. Community Guidelines** | Users participating in the Community Hub are expected to communicate respectfully and responsibly. Harassment, discrimination, offensive language, misleading disaster information, spam, and inappropriate content are prohibited. Community contributions should remain relevant to education, disaster preparedness, and community support. |
| **5. User-Generated Content** | Users are responsible for the accuracy and appropriateness of the content they create, including community posts and personal experiences. EarthWise may review or remove content that violates its community guidelines if moderation features are implemented. Users should not publish private information belonging to others without permission. |
| **6. Educational Disclaimer** | Information provided by EarthWise is intended for educational and awareness purposes only. Although we aim to provide reliable and accurate information, the website does not replace official emergency instructions or professional guidance. During an earthquake or other emergency, users should follow instructions from relevant authorities and emergency services. |
| **7. Intellectual Property** | Original website content, designs, graphics, and educational materials developed by the EarthWise team belong to their respective creators. External images, references, and resources remain the property of their original owners. Users may access EarthWise materials for personal |

| | and educational purposes but should not reproduce original content without appropriate permission or attribution. |
| **8. External Links** | EarthWise may include links to external organisations, research materials, emergency services, and educational resources. These third-party websites operate independently and may have their own privacy policies and terms. EarthWise is not responsible for the content or practices of external websites. |
| **9. Limitations of Liability** | EarthWise aims to provide accurate and accessible educational information. However, we cannot guarantee that all content will always be complete, current, or free from errors. To the extent permitted by applicable law, the EarthWise team is not responsible for losses resulting from website interruptions, technical issues, or reliance on educational content. Nothing in these terms excludes responsibilities that cannot legally be excluded. |
| **10. Changes to Terms** | EarthWise may update these Terms & Conditions to reflect improvements, new features, or changes in website policies. Important updates will be communicated through the website, and the latest revision date will be displayed on this page. |
| **11. Contact Information** | For questions, feedback, or concerns regarding these Terms & Conditions, users may contact the EarthWise development team through the Contact Us section of the website. |
